

Boscawen Park Pavilion contribution (£60k)

This project is now out to tender with a closing date of the 12th February. Discussions continue regarding whether the contribution from the Towns Fund can still be made due to the end date for the project being beyond the end of March.

2 The Town Deal Board will be submitting the Town Investment Plan to the government at the end of January. I will circulate to Councillors when the document is released. It is still proposed that we lead on the two projects, Boscawen Park, and the repurposing of City Centre buildings. I will be bringing forward in February proposals relating to the City Centre project.

Council Elections in May 2021

We are advised that the current position of the government is that elections will go ahead in May 2021.

Recommendation
